Woodfirings for 2025

Neste sommers vedfyring

Next year marks the 10th anniversary of Kjærrahvalen, as it will be 10 years since the first firing. To celebrate this milestone, we are planning a larger event for next summer's firing. In addition to our usual program, we will host a special workshop for children and youth, featuring a wood firing in a train kiln that we will build together with middle school students.

New Firing in Autumn 2025?

We have long discussed the possibility of having firings in the autumn. This timing may suit some potential participants better than the summer. Therefore, it is something we are considering moving forward. We need to hear from you! Is this something you would be interested in?

Other plans for 2024/25

Extraordinary General Meeting

We are calling an extraordinary general meeting on October 25th. The agenda will be sent out shortly. If you are a member and have any points or issues you wish to raise, please let us know so we can add them to the agenda.

Applications to the Directorate of Culture, Sparebankstiftelsen, etc.

The foundation will begin the process of applying for funding from the [Directorate of Culture](#), [Sparebankstiftelsen](#), and similar organizations. We will update you in the next newsletter! If you have any input, thoughts, or ideas that you would like to share with us regarding the application process, please feel free to reach out!

For students

We want to involve new and promising participants, which is why we are eager to include students! We encourage students in design, arts and crafts, and architecture to join in on the fun. Students will receive a discounted participation fee.

MEMBERSHIP IN THE KJÆRRAHVALEN ASSOCIATION?

All members have voting rights at the annual meeting held every May, in addition to the extraordinary meeting in October. At the annual meeting, we discuss the year's events, volunteer efforts, and similar work related to Kjærrahvalen. Important issues, such as joining or leaving the board, are addressed. It is possible to join the board, and we could use a few engaged board members. We encourage anyone curious about the association's work to attend the meeting, with or without membership. The membership fee is 500 NOK per year, with the registration deadline on May 1st each year. The membership fee is used for shared equipment and materials for Kjærrahvalen's firings.

Please consider supporting us by becoming a member!

PHOTOS FROM THIS YEAR'S FIRING, 2025

The photo gallery shows the entire process of the summer firing, from the stacking of shelves, stacking/masonry of the door, the firing week, and the conclusion of the firing (photo on the left).

The next newsletter will be sent out to our participants and members around the second week of October.

Best regards,

The Board of the Kjærrahvalen Association

Lillann Ulverud, Herman Lynne, Vibecke Gromstad Solli, and Trond Fredriksen
